

# MARAUDER'S MAP

# Harry Potter AND THE RAIN CITY

OCTOBER 6<sup>TH</sup> - DECEMBER 11<sup>TH</sup> 2015

Did you know that Kidsbooks in Vancouver was the first bookstore in Canada to carry *Harry Potter and the Philosopher's Stone*? Did you know that the original Canadian editions of the series were published by a Vancouver company? Did you know that UBC's Quidditch club was the only Canadian team represented at the last Quidditch World Cup? Did you know that the former mayor of Vancouver once donned robes and played the part of Professor Dumbledore at a Harry Potter midnight release party?

UBC Library is celebrating the legacy of the Harry Potter series and Vancouver's special relationship with "the boy who lived" in the exhibition *Harry Potter and the Rain City*. Spread across three UBC Library branches, the exhibition features books from the series that have been newly added to UBC Library's Rare Books and Special Collections, as well as stories and memorabilia from Vancouver-area people and businesses most deeply impacted by the series. Use this special Marauder's Map to find all three exhibition locations!
